

**REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS  
OF SAN BERNARDINO COUNTY, CALIFORNIA  
AND RECORD OF ACTION**

June 3, 2003

FROM: KEN A. MILLER, Director  
Department of Public Works – **Transportation**

SUBJECT: **ESTABLISH THROUGH HIGHWAYS ON SEELEY DRIVE AND NOB PLACE –  
CRESTLINE AREA**

RECOMMENDATION: Adopt resolution to establish (1) Seeley Drive as a through highway at its northerly intersection with Nob Place as a through highway and (2) Nob Place at its southerly intersection with Seeley Drive as through highways, in the Crestline area.

BACKGROUND INFORMATION: Subsequent to a request from a local resident, the Department recently completed a traffic engineering investigation on Seeley Drive and Nob Place, in the Crestline area. Seeley Drive and Nob Place intersect each other at two different locations. The investigation revealed an existing view obstruction at the northerly intersection of Seeley Drive and Nob Place. Also, traffic is not required to stop when entering these intersections from any direction. It is recommended that safety of the motoring public at these intersections be improved by stopping all traffic entering the northerly intersection from Nob Place and the southerly intersection from Seeley Drive. This can be accomplished by establishing Seeley Drive (northerly intersection) as a through highway at its intersection with Nob Place, also Nob Place (southerly intersection) as a through highway at its intersection with Seeley Drive per County Code Section 52.0111(a)(1).

REVIEW BY OTHERS: This item was reviewed by Deputy County Counsel Charles S. Scolastico on May 15, 2003 and County Administrative Office (Norm Kanold) on May 23, 2003.

FINANCIAL IMPACT: There is a cost incurred of approximately \$500 to install the appropriate signs, as well as minor administrative costs to update Department records. Funds are available in the Department's 2002/03 Operations budget.
